

# Transport Problems

INTERNATIONAL SCIENTIFIC JOURNAL

Volume 14 Issue 2

## CONTENTS

	Page
1. Bogdevičius M., Vitkūnas R.: Hydro pneumatic mechanical energy absorber enhancing passive safety of a motor vehicle .....	5
2. Szczucka-Lasota B., Węgrzyn T., Garbala K., Piwnik J., Majewski M.: Main incompatibilities of soldering process in automotive industry .....	19
3. Pratelli A., Lupi M., Farina A., Iannelli C.: Pedestrian rule compliance at signalized intersections in different urban contexts: an observational study .....	29
4. Vikharev S., Lyapustin M., Mironov D., Nizovtseva I., Sinitsyn V.: Modeling of passengers' choice using intelligent agents with reinforcement learning in shared interests systems; a basic approach .....	43
5. Socha V., Hanakova L., Freigang M., Kraus J., Stojic S., Socha L., Hanak P.: Impact of pilots' tiredness on the outcome of psychological testing .....	55
6. Burchart-Korol D., Folęga P.: Comparative life cycle impact assessment of chosen passenger cars with internal combustion engines .....	69
7. Chislov O., Bogachev V., Zadorozhniy V., Demchenko O., Khan V., Bogachev T.: Modelling of the rail freight traffic by the method of economic-geographical delimitation in the region of the South-Easter Coast of the Baltic Sea.....	77
8. Zhykharieva V., Shyriaieva L., Vlasenko O.: Current trends of protectionism in shipping industry .....	89
9. Piľa J., Kozuba J.: Safety of complex aircraft ergatic systems .....	101
10. Maiorov N., Fetisov V., Krile S., Miskovic D.: Forecasting of the route network of ferry and cruise lines based on simulation and intelligent transport systems .....	111
11. Gogiashvili P., Chogovadze J., Lekveishvili G., Kbilashvili D., Sirbiladze B., Dograshvili V.: Optimizing the time costs of passenger transport of people with disabilities .....	123
12. Mindur L., Pawęska M.: Methods of promoting intermodal transport development in the federal republic of Germany, France and Italy in years 1990-2016 – conclusions for Poland .....	135
13. Poliak M., Šimurková P.: Wage inequality across the road transport sector within the EU.....	145
14. Pérez-Acebo H., Romo-Martín A.: Service and rest areas in toll motorways in Poland: study of distribution and facilities.....	155
